Headline:
Cloudy with patchy light rain Sunday. Windy over the Isles.

Today:
A cloudy day with patchy light rain, especially in west, but some more prolonged rain and low cloud over western Argyll and the isles. Fresh, occasionally strong, southerly winds over Kintyre and the Isles. Maximum temperature 12 deg C (54 deg F).

Tonight:
Cloudy with patchy rain in evening, but rain will die out overnight and clouds will become more broken to bring some clear spells, especially in east. Less windy in west. Minimum temperature 3 deg C (37 deg F).

Monday:
A mostly dry and bright day with some sunny spells, but cloudier in west with perhaps a little rain still over Argyll. Mostly light winds, but still breezy over isles. Maximum temperature 14 deg C (57 deg F).

Outlook for Tuesday to Thursday:
Cloudy with rain on Tuesday, but clearing away towards evening. Dry with bright or sunny spells and light winds on Wednesday and Thursday but feeling rather chilly.
